Sheriff's Deputies Richard Dahl and Robert Hays were called to Bear Ice Cream Drive-In Tuesday night to break up a large disturbance and acts of vandalism.

N. Poe, manager of the establishment reported that several teenagers were engaging in loud and boisterous conduct, refused to stay out from behind the serving counter, and were marking up and mutilating the serving booths.

The two deputies dispersed the gathering and Sheriff's Investigator Don Bryan will continue a probe of the affair.

## No Accidents, But Lemon Grove Road Clock Bags Several

California Highway Patrol personnel cheerfully revealed that the Lemon Grove-Spring Valley area was entirely free of reportable highway accidents over the New Year's holiday.

They were mum however about the results of the road block and check they set up Monday afternoon on Imperial in Lemon Grove.

Several autoists without drivers licenses were bagged.

## Science Essay Contest Winners

### To Get Awards at Kiwanis Meet

Four proud winners in the Palomar Scientific Expedition Essay Contest staged the early part of December will receive cups and plaques furnished by Lemon Grove organizations at the Kiwanis Club Meeting January 16.

Fifteen other youngsters from the sixth grades of the Lemon Grove School District will be awarded certificates of honorable mention.

Winner of the cup sponsored by the Lemon Grove REVIEW is Gary Lee Thompson, 7231 Blackton Drive, La Mesa, a student at San Miguel school; Kiwanis trophy goes to Kenny Van Dyke, 2721 Washington, Lemon Grove, a junior high pupil; the Lions Club award goes to Carol Foster 1490 Skyline Drive, Lemon Grove, a junior high; and the Lemon Grove Junior Chamber of Commerce award goes to Jean Leonessio, 7602 Circle Drive, a junior high pupil.

The four sixth grade students turned in the best essays written about the scientific apparatus they observed in use on a five-day camping trip that some 80

## School Superintendent Netzley Invited to Attend Inauguration By Vice President

Vice President Richard M. Nixon will have his old school friend, Byron L. Netzley in the grand stand when he is inaugurated for a second term next week in the nation's capital.

The Lemon Grove School District Superintendent will be there through the spontaneous goodwill and generosity of his many friends and co-workers in the school system. But let Netzley tell it:

"Two or three weeks ago, the teachers had a pre-Yule party and on the program was a screen projection of a personal letter I had received from Vice-President Nixon and several autographed

photographs. At the bottom of the letter was a post script expressing the hope that I could be present for his inauguration, along with that of Mr. Eisenhower.

"I thought no more about the matter, directing a letter to Mr. Nixon thanking him for the letter and the photographs. There was, of course, a personal tone to my letter because Nixon and I roomed together at Whittier College from 1929 to 1933, and my wife had gone to Whittier High School as well as the college while Nixon was a student there. Mrs. Netzley and her family also knew our veep through their mutual membership in the Friends Church.

"Christmas morning, Mrs. Netzley and myself were flabbergasted to find a package beneath our Christmas tree containing \$375 in cash which had been collected by my friends with a note expressing the wish that I attend the inauguration since Mr. Nixon is more or less a personal friend of mine.

"There was also in the package a poem written by Mrs. Peg Lemmers, one of the teachers, urging us to go. I think the whole thing is one of the finest gestures any man ever received from his friends and coworkers."

"Some of the details are still to be worked out, but Mrs. Netzley and I will fly to Washington in time to be there for the inaugural parade and ceremony."

Mrs. Lemmers who was a party to the surprise gesture said, "Oddly enough party lines are forgotten in getting together the money for the Netzley trip. There were as many Democrats as Republicans on the list of participants."

"We just figured that such a fine guy should get to go to Washington to be with his old school friend who is to be inaugurated to such a place of high estate."

## AREA COUPLE PLANS A YEAR LONG ENGAGEMENT

Long range plans for a forthcoming wedding were announced this week by a popular area couple.

To be married in 1958 are Marybell Easley 9360 Hollyhock Lane, Spring Valley and Blair Andrews, 1637 Colfax Drive, Lemon Grove.

The engagement was revealed by the bride's parents, Mr. and Mrs. R. L. Easley who said a private wedding would be held probably in February 1958 when the bride-to-be completes high school. She is presently a junior at Helix. The groom-to-be is a Helix senior.

Both young people are members of a western band which plays for dances throughout the area. They play mostly at Pals & Gals clubhouse in Spring Valley.

Miss Easley plays the accordion, guitar and steel guitar and teaches these, and other instruments at Ozzie's.

Andrews plays drums and bass in the band. He plans to go into the nursery business after he completes high school. He is son of Mr. and Mrs. G. W. Andrews.

## Roger Johns Rescues Couple From Smoke-Filled Home Christmas Morning

Mr. and Mrs. D. J. McLaughlin, 2729 Corona, Lemon Grove, were taken to Hillside Hospital, in the early hours of Christmas morning from their smoke-filled home. They were treated for carbon-monoxide poisoning and released Wednesday.

Roger Johns, REVIEW photographer, who is a neighbor of the McLaughlins, aware of the fire in their home pushed through dense clouds of billowing smoke to bring the couple outside to safety.

The Lemon Grove Fire Department received the alarm at 1:50 Tuesday morning and firemen found themselves battling what they later described as "one of the worst smoke fires we have ever seen."

The blaze apparently started in an overstuffed lounge chair in the living room. The burning foam rubber cushions and upholstery created an enormous amount of thick, black, choking smoke which rolled out the doors and windows in menacing clouds.

The fire was brought under control in about twenty minutes, with direct damage to the chair and the floor beneath where it was sitting.

The smoke was so dense that the entire interior of the dwelling was covered with a heavy black soot. Firemen said that damage from such a fire was difficult to measure in dollars and cents.

## Tire Theft Reported

Edward Stritham, 6811 San Miguel, Lemon Grove reported to the sheriff's office that sometime during the early morning hours of Sunday, a thief stole the spare tire from the automobile parked in the driveway to his home.

Otherwise the car was unharmed by the thief or thieves.

## ALMOST

It's almost as difficult to live within an income today as it was to live without one in the early Thirties. — Minneapolis Star.

## Peak Retail Sales Yet to Come to Area

Accelerated construction activity; tighter call money; steady employment—all are in prospect for Lemon Grove and Spring Valley residents during upcoming 1957.

In a far-reaching inquiry among authorities who should know, that summary jelled after authorities had consulted their charts, recalled their experiences in past years, asked each other's advice.

For example, W. A. Vickery, service manager for Dun & Bradstreet Reporting Agency, who maintains a force of investigators busy, said their continuing research indicated that the peak of retail activity in the Lemon Grove area had not been reached as yet, and that the first half of 1957 would certainly show an increasing volume of business, particularly in the retail field. Reports of new business establishments and revised data on established enterprises disclosed an improved operating financial condition, with increasing cash reserves and declining inventories—sure signs of continuing prosperity.

A check of the records in the United States District Court and the office of the referee in bankruptcy disclosed 17 petitions in bankruptcy had been filed during 1956 from individuals and firms which could be credited to this area. The number in 1955 was 23 and if the pattern is followed in 1957, there will be even fewer bankruptcies during the coming year. Those figures do not include bankruptcies which are "split" as far as Lemon Grove and Spring Valley are concerned. That is the failing firm in some cases had only a branch in one or the other of the two communities.

Assistant Manager William Paul of the United States National Bank said that increasing deposits and account activities by patrons of the bank pointed to continued and increasing prosperity. Officials of the bank are

definitely optimistic.

Manager Jack Koop of the First National Trust and Savings Bank said that call money in New York is up in price, and that interest rates are staying firm, always good signs to bankers that business is going to stay good or increase. He went on to say that activity in the bank's mortgage loan department looked exceedingly good, and that he saw nothing which could stop building activity acceleration in this area.

Publishers of the Daily Construction Reporter, a technical paper devoted to building and construction interests said that building permits in the areas adjacent to Lemon Grove and Spring Valley amounted to \$7,063,286 during the year just closed, and that there was nothing to indicate but what that figure would be exceeded in 1957.

The same source said that construction trade labor supply is plentiful, a seasonal condition but that by April the labor supply would not be able to keep pace with the requirements. Money for construction work is a little tight, but firm interest rates would alleviate that situation during the first half of 1957.

## Money Doll Earns \$1,000 For Beautification Fund Sparked by B.W. League

"Chiquita" the Money Doll, went to Mrs. Eugene Beers, Lemon Grove Trailer Court amid colorful ceremonies Saturday afternoon at the Plaza.

The Lemon Grove School Intermediate Choir and Brass Section played appropriate music before the drawing after which Mrs. Beers carried away the natty clad doll which turned out to be worth close to \$1,000 to the Lemon Grove Business Women's League.

## THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Matters set for hearing by the supervisors starting at 10:30, were considered in order.

At 11 hearings on proposed zoning reclassifications was taken up. 1—Reclassification from R-2-A to R-3 of property in Lemon Grove Section, requested by the Lemon Grove Masonic Temple Association, Inc. (The planning commission recommends approval.)

Reclassification from unzoned to C-1 of property in Homelands Section, requested by C. R. Freeman et al. (The planning commission recommends denial.) Petitioner protests the recommendation. Matter was referred to planning commission for further consideration. Concerns Rock 'n Ride Riding Club.

At 11:15 time reserved to hear representatives of Trailer Park Owners Association, concerning proposed amendment of the trailer park ordinance, allowing cabanas.

This amendment was discussed at a previous meeting and we were under the impression that everything was jake and that trailer park owners would be allowed to have tenants build their own cabanas, buy the materials in San Diego, pay a personal

property tax, and satisfy all concerned. Somebody discovered it wouldn't be legal, would require another ordinance, causing delay.

Supervisor Robbins, whose term expires January 1—Jim didn't "choose to run"—was in favor of some action that would enable tenants who had been informed of the amendment and had planned the improvement to make it at once.

Mr. Thompson, owner of a trailer park in Lemon Grove with an investment of \$150,000 in a park, said he had one tenant who has been coming to Lemon Grove for several years and who owns a \$7,500 trailer, had already contracted for the immediate improvement of his allotted space. This tenant is a retired colonel, spends his pension \$650 monthly in Lemon Grove.

Another park owner in Lemon Grove said he had \$80,000 invested, wanted some immediate action. Mr. Thompson argued that building a cabana was no different than placing an awning alongside a trailer.

Also, Mr. Thompson said his property was not zoned for trailer park, but he had been granted a special permit each year for three years last past, wondered why the difficulty.

Here is where Jim Robbins came into the argument. He thought it unnecessary to wait three months for another ordinance, wanted to see some action.

## Proxy Bride Back to Spain When Hubby Raises the Fare

Salvador Arocha, 64, of 8494 Hillcrest Ave., La Mesa, was ordered by Judge Wade Garfield, El Cajon Municipal Court, to pay the return passage of his recent proxy bride, Mrs. Adelaide de Leon y Enderica Arocha, 32, to Seville, Spain, where the couple was married by proxy four months ago. She came to La Mesa after the proxy marriage and found, she said, that her husband had misrepresented himself in several ways, giving his age as 41, having ample means and the owner of a home. The courting was done by mail.

Mrs. Arocha said her husband had been married before, had grandchildren. She brought pictures of the proxy church wedding.

Arocha, a soil technician at a Lemon Grove plant nursery, said he had not misrepresented himself. Said his bride had his birth certificate when she presented it in Spain to obtain the marriage license. He blamed tv for his troubles, said his bride watched the 21 inch screen constantly, and believed everyone in America was rich.

Arocha was in court to answer a charge of assaulting his bride with a pistol. He later plead guilty to a reduced charge of brandishing a weapon. Told the court that he was cleaning his pistol after a quarrel, and started to put the pistol away when the lady, thinking he was going to shoot her, screamed for "police," who took the husband to jail. "TV had given the lady the impression that husbands in America always killed their wives after a quarrel," Arocha said.

Judge Garfield sentenced Arocha to six months in jail and suspended the term provided he pays for his wife's passage home and submits to a psychiatric examination. So Arocha is rustling for the dough to buy a ticket to sunny Spain for his bride, and he won't have "two years to pay," either.

## Birds', Cabbages and Kings' Talk to Men's Club Touches on Libraries, Taxes, Welfare

Supervisor David Bird was surprise guest speaker at the Men's Club Friday and he talked of cabbages and kings.

He said that Lemon Grove could have a county branch library and community center if "you people could agree on where it should go." Such a project would eliminate the present youth center. It presumably would be demolished.

Bird expressed a desire to keep control of the sales tax money in his supervisory hands. It would be unfair to other taxpayers to turn over use of sales tax to a group for a single purpose, he said. It would be better to use it to reduce ad valorem taxes than to dedicate it to a single group, he added.

Dr. Frank Gigliotti complained that the Irrigation district ripping up a brand new street in its entirety on Costa Bella was an example of waste of taxpayer's money and Bird said it would

be impossible to make all projects come out even. Bond issues and budgetary considerations have an effect on timing projects, he stated.

Bird talked at length about the welfare department. He explained the problems of acquiring a new welfare director and the greater problems involved in supervising the welfare program.

Prayer, cloud seeding and water were involved in the present major project, that of seeing that area residents get water this summer, he said.

The Men's Club meets every Friday noon at Michael's.

## FOUR BABIES IN TWO YEARS

ST. LOUIS, Mo.—For the second time in less than 16 months, Mrs. John Callahan Jr. gave birth to twins. The Callahans, who were married in 1954, became the parents of twin sons on April 30, 1955. On Aug. 17 this year, another set of twin boys arrived.

## The Dimmer VIEW

By MAX GOODWIN

You don't have to cup your ear for the sound of crackling noises of broken dreams. Even though the year is but hours old you can pick a pattern for 1957 from the rubbish heap of misunderstandings, mis-statements, miscalculations and broken promises.

The first item in a general category concerns the much heralded proposition 4 which was defeated at the November elections. One of the oil firms which demanded the defeat of the proposition (because bureaucracy and higher prices would result if it passed) was among the first to announce new, higher prices last month.

The soothsayers of Washington late last year prognosticated an income tax reduction for 1957. Now comes the not-unexpected sad news that taxes will not be reduced and that a crack-down is in store on "moderate" income tax evaders.

There was also, an indication during the year that recent postal increases had leveled off, for the time being, at least. The "time being" is past and word comes that you'll be paying 4c, and possibly as much as 5c for each letter that you mail before this year is out. We urgently request that they don't put the same guy in charge of putting through the raise in rates that was in charge of designing those horrid brown stamps they gave us at Christmas time. I wondered idly when I first saw those "brownies" if they had instructed him to find a color that would clash with the Christmas color scheme.

The telephone company got us steamed up last year with an announcement concerning a four color reproduction of Cabrillo Lighthouse which was to grace the front cover of the new telephone book.

When we got out 'phone book at the turn of the year, it was a drab gray, sprinkled with black and yellow. I found out, too late, the multi-color job was reserved for the "city folks" of San Diego proper. Country people in the country are being given the "old look" books for another year. Discriminatory, I feel.

I remember reading, with hopes high, along about election time, that foreign aid would be cut back this year. This was the quickest route to tax reduction all along the line we felt. Balanced budgets and tax reductions on the horizon! What a rosy future.

This week we learned that aid to foreign countries reached the stupendous total of \$50 BILLION since the foreign aid bill was drawn up in 1945 and that a sizeable increase will probably be given by Congress soon after it convenes.

The final item (and only because of space limitations) which invited our chagrin was the Broadway-Massachusetts traffic signals. After years of waiting the signal standards were installed in December. We asked the county road department engineer by phone when we could expect to have them blinking.

"It'll be about two weeks," we were told. "We can't turn 'em on until the electric company puts in the meter and turns on the juice."

"We can't put in the meter until we are instructed to do so," the company's district manager said when we called him.

"It'll be 10 days before we get electricity after the meter is installed," the road engineer reported.

"We'll have the meter in and the juice turned on this afternoon if someone authorizes it," the electric company man said. "I'll authorize it and guarantee payment," said we to the electrical official.

That night traffic lights were blinking at Massachusetts and Broadway.

## US NATIONAL BANK HIKES INTEREST RATE

The United States National Bank has increased the interest rate on savings deposits from 2 to 3 percent, it was announced this week by C. Arnholt Smith, Jr., manager, Lemon Grove branch.

The increase, effective January 1, applies to United States National's 16 offices in Southern California.

"For several years the tendency has been toward increased interest rates because of the heavy demand by commercial borrowers in our expanding economy," he said.

"This has created a situation favorable to those with savings accounts, and they will now benefit through the higher rate they will receive."

## Jones-Doughty Vows Exchanged in Yule

### Day Ceremony

Miss Anna Katherine Jones, kindergarten teacher at Golden Avenue School, was married Christmas day to Ted George Doughty.

The wedding took place at St. Martin's Roman Catholic Church, Father Nightingale performing the double-ring ceremony.

Miss Jones' wedding dress was white, with round neck line, long style of 1880, with floor length skirt. She wore a fingertip veil of tulle and carried a bouquet of white orchids and stephanotis, and was attended by her sister Margaret as maid of honor. The groom's four-year-old niece, Celeste Doughty, was flower girl. Both attendants wore red velvet gowns, carried red velvet muffs with holly trim.

Best man was Robert House and ushers were Glen and Gerald Doughty, brothers of the groom.

Following the ceremony a wedding reception was held at the Marine Recruit Depot Officers' Club from 1:30 to 3 o'clock. The honeymoon will be spent at Palm Springs—D. H.

## In Case You Didn't Know, It's Income Tax Time Again

Befuddled or puzzled income tax payers in Lemon Grove and Smith Valley are invited to take their tax-paying and return troubles to the District office of Internal Revenue, 3755 Sixth Avenue or telephone BEelmont 2-5061.

In case you didn't know it Federal income tax filing and paying time is here again. Returns may be filed beginning Wednesday, January 2, but no penalty accrues if a return is not made until the close of business, Monday, April 15th.

Of course the Internal Revenue Department personnel hope most taxpayers will make returns early during the filing period to help ease the last minute rush, and they hope each taxpayer will make every effort to fill out the forms and make return before yelping for help to the district office.

Forms to be used are practically the same but if there is any question in the filer's mind he can go to or write to the office

and get a neat, concisely written little booklet telling how to make out a return.

Ranchers or farmers in this area who are confronted for the first time with social security payment problems in connection with their income tax returns can secure an informative booklet from the same district office listed above, or it can be had from the County Agriculture Extension Agent.

Yep, brother, it's that time again.

## CLAN DURHAM TOGETHER FOR THE FIRST TIME

Ira L. and Julia Durham, 3270 Main Street, claim they had the

biggest and best "Christmas of their life."

"We had the whole family together for the first time," he reported. There were Mr. and Mrs. Bill Robertson (Mary Lou Durham) of Medford, Oregon. They were married Nov. 10. There were also Mr. and Mrs. O. R. McNeel (Mildred Durham) of Eagle Point, Oregon; son Jack and Margaret of Lemon Grove and their three youngsters Kathy, Lorrie and Gayle; and R. L. Durham, another son, with his wife Glenda and youngster Kenneth, of Longview, Texas who has returned to Lemon Grove to stay.

It was the kind of a Christmas grandparents dream about, Ira L. said.

## MARCH OF DIMES LEADERS

Bill Paul, Lemon Grove bank official, has been appointed community leader of the 1957 March of Dimes campaign in Lemon Grove and Spring Valley, it was

announced by Fred H. Rohr, general chairman of the January drive.

Other leaders in this area include Les Freeman, La Mesa; Kim Arnold, El Cajon; and Barkdull of Lakeside.

### Auto Registry Period Opens

The sub-office of the California  
Department of Motor Vehicles, lo-  
cated at 7787 University, La  
Mesa, is the closest place where  
motor vehicle owners from Lem-  
on Grove and Spring Valley can  
renew their auto license and  
registration tags.

This week some six million  
registration statements went into  
the mails in preparation for the  
annual license renewal period  
which this year opens on January  
2 and expires at the close of busi-  
ness, Monday, February 4th.

George Reinherth, manager of  
the La Mesa station urges all  
motorists to read the statements  
they receive for accuracy of ad-  
dress and name spelling, and to  
make sure that the vehicle is  
accurately described.

Reinherth also urges each pros-  
pective registrant to get his  
car-statement and remittance in  
as early as possible to avoid the  
usual crush during the last week  
of grace.

Oh, yes, if you did not receive  
a regular statement on your auto

### Forms For Alien Registration Available Now

San Diego Immigration offi-  
cials announced today that alien  
address report forms will be  
available at local Immigration  
offices and local postoffices be-  
ginning January 1 for the con-  
venience of the more than 25,000  
aliens in this area expected to  
report their addresses to the  
Government in compliance with  
the law.

George W. Scallorn, Officer-in-  
Charge of the Immigration and  
out that it is important for each  
Naturalization Service, pointed  
non-citizen to report his address  
to the Government each January  
because of penalties for noncom-  
pliance.

"A willful violation," he said,  
"can bring a fine of up to \$200,  
a jail sentence, and deportation.  
To avoid the possibility of pen-  
alty, each alien should go to the  
nearest Immigration office or  
postoffice during January, obtain  
an address report form, and re-  
turn the card to the clerk after  
completing it."

The Immigration official stressed  
that no non-citizen should  
mail his own card.

Any non-citizen outside the  
country during January is re-  
quired to file the report with-  
in 10 days of his return.

### Hoxsey Cancer 'Cure' Played by U.S. Food And Drug Officials

The United States Food and  
Drug Administration in Wash-  
ington has broadcast a warning  
which it hopes all media of com-  
munication will relay to readers  
and listeners.

Labelling the Hoxsey Clinic  
medicines and methods of "cur-  
ing" cancer as frauds and dan-  
gerous to persons suffering from  
cancer, the department recites  
the action of a United States  
District Court in ordering de-  
struction of a quantity of the  
remedies which had been seized,  
and adds that persons con-  
templating entering the Hoxsey  
Clinics at Dallas, Texas and  
Portage, Pennsylvania should in-  
vestigate the proffered treatment  
carefully.

The governmental warning  
says that the treatments and  
medicines may well prove dan-  
gerous by deterring the patient  
from seeking competent medical  
advice.

A bulletin on the subject can  
be secured by writing to the Food  
and Drug Administration, Wash-  
ington 25, D. C.

### Christmas Greeting Cards Can Be Used Again — Save Them

Don't throw away your Christ-

another very special use ahead  
of them.

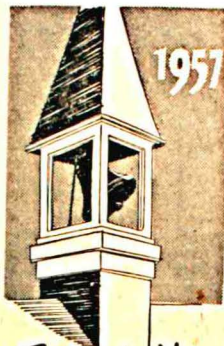

Mrs. Randolph Morse says that

Red Cross box in the Lemon  
Grove public library, they can  
be used again to bring cheer and  
brightness in surrounding hos-  
pitals.

### HIGHWAY ENGINEER PROMOTED

R. A. Hayler, Assistant Dis-  
trict Engineer of District XI for  
the State Division of Highways  
in San Diego has been promoted  
to District Engineer at San Fran-  
cisco, according to Jacob Dekema,  
District Engineer of San Diego.

Hayler's promotion marks the  
latest of a series of rapid ad-  
vancements since his career with  
Highways in San Diego in 1933.

The Hayler family is unique in  
that his wife, Louise, his five  
children and he are all native  
born San Diegans.

## DO IT YOURSELF Spirit Is Missing But Youth Gets Christmas Gifts Anyhow

A Lemon Grove youth surrendered to peace officers Saturday night prior to Christmas after being surprised and recognized in the burglary of the home of Dr. William Ahern, 6842 Rolando Knolls.

According to the story pieced together by Deputy Sheriffs Ernest Sable and Dahlman N. Van Hooser, Dr. Ahern returned to his home about 6:45 p.m. Saturday night to find the youth crouched under the family Christmas tree engaged in stacking up gifts which had been wrapped and placed beneath the tree.

Asked what he was doing there, the prowler muttered something unintelligible and after a moment's hesitation fled through the rear door. He was recognized, however, and in reporting the thefts to the sheriff's department, the victim named the boy and said that indications were that others were involved.

About an hour later, apparently realizing that he had been recognized, the youth telephoned the central office of the sheriff and arranged to meet a patrol car in front of the Lemon Grove theater. He kept the appointment,

showing up with a wrist watch and two table clocks which were a part of the loot. He was placed under arrest by Van Hooser and lodged in Juvenile Hall.

Sable said that everything pointed to a previous visit to the Ahern residence by a burglar because six fifths of assorted liquors were also listed as missing.

## House Guests Like California Climate

Mr. and Mrs. Lawrence W. Wigfield, Bancroft Drive, Spring Valley, have house guests from Missouri in the persons of Mr. and Mrs. Bruce Ferguson, sister and brother-in-law of Mrs. Wigfield. The Fergusons express their satisfaction with our weather man's generosity with sunshine and warm days during the holiday season.

We understand that Missouri's weather at this time of year is nothing to brag about.

One hundred or more years ago, when my dad was born in Bowling Green, Pike County, Mo., and always proud of his birthplace, Missourians hadn't heard of "The Best Climate on Earth."

## GROSSMONT HOSPITAL FINANCIAL REPORT

December 14, 1956

Board of Directors  
Grossmont Hospital District  
Post Office Box 158  
La Mesa, California  
Gentlemen:

We have examined the financial records of the Treasurer of the  
Grossmont Hospital District for the period beginning July 1, 1955  
and ended June 30, 1956. Our examination was made in accord-  
ance with generally accepted auditing standards and accordingly  
included such tests of the accounting records and such other audit-  
ing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying combined balance sheet—all  
funds and the related statement of revenues, expenditures and fund  
balances, present fairly the financial position of each fund of the  
Grossmont Hospital District at June 30, 1956 and the results of  
the operations for the fiscal year then ended, in conformity with  
generally accepted principles of accounting.

Yours very truly,  
Charles Porter

## Miller Sees Water Supply Through Spring, But if No Rain Falls, Skimp is the Word

The water problem in San Diego County has reached such a serious stage that the mayors of every municipality and the county board of supervisors December 29-30 launched an intensive public campaign to conserve dwindling water resources.

All citizens are urged to attend the church of their affiliation or choice and take part in religious ceremonies to turn the tide of water supply toward a temporary and long range adequate supply of water for this

### Helix Cops Third Spot In Cage Meet

Helix High School Highlander 'quintet' topped third place in the Fillmore basketball tournament. They clinched that spot Saturday night when they edged Burroughs of Burbank, 70-69. Previously they had beaten Ventura, 70-60 and lost to tourney winner Oxnard, 66-64 in an overtime contest.

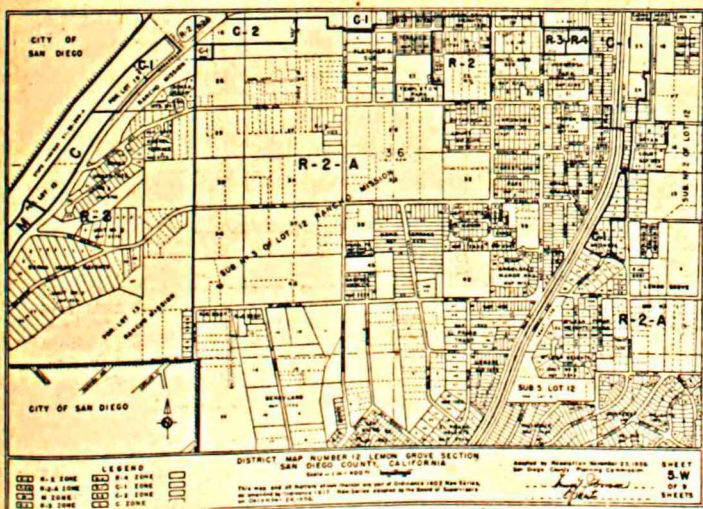

Eight teams sought the glory laurels and Helix was the only southern prep squad in this central group area. According to Lemon Grove's first string forward, Ron Mulder, about five of the teams involved showed exceptional abilities on the court and is rumored around some coaching circles that Oxnard is the team to beat in both its own league and SCIF.

Speaking of coaches, head coach Bob Devine returned to action with his teammates following a bout with pneumonia. — B.T.

## Cub Scout Pack 47 Holds Meet, Party

Christmas is over, but memories of a happy holiday season linger with the Cubs and their parents.

For instance: business was combined with pleasure when the committee meeting of Pack 47 was held at the home of Mr. and Mrs. H. Skinner, 9230 Valencia Street, last week. The business was conducted by L. Baker.

After the business was finished the host and hostess provided a place for square dancing. Refreshments enjoyed by everyone were punch, coffee and entrees of many different types.

The Weblos and their families of Cub Pack 47 were invited by Boy Scout Troop 47 to attend their annual potluck and Christmas party held at the Friends Community Church. The supper was followed by singing of Christmas carols, game playing and gift giving. Ed Myers introduced the members of Troop 47 and Glenn Lindeneau introduced the members of the Weblos Den. ### Nixon Street Vacation

Request of Land Title Insurance Co. on behalf of the fee owners of Angelus Heights (Woodhull and Larwood Companies) for the vacation and abandonment of Nixon Street in that subdivision.

Protests of S. D. Gas and Elec-

Recommendation of planning commission that said vacation be granted as to that portion of Nixon St. lying between Imperial Ave. and Alta Vista Ave., concurrent with the approval of the fi-

tionner, and because no property will be deprived of access as a result of said vacation.

## Oderkerk-Maxted Marriage Rites Are Celebrated

Miss Diane Mary Oderkerk and Roy Alison Maxted, both of Lemon Grove, were married December 15 at Little Chapel of the Roses, Chula Vista.

Attendants included Mrs. William G. Mitchell, sister of the bride, as matron of honor and Mrs. Walter Maxted as junior matron.

Bridesmaids were Misses Dale Finch and Carrie Oderkerk, with Miss Karen Maxted as flower girl.

Best man was Charles Kramer. Ushers were Robert Kievit and

Walter Maxted. The bride is the third daughter of Mr. and Mrs. Thomas Oderkerk, 3225 Massachusetts Avenue, to be married during the past two years. Mr. and Mrs. W. J. Maxted, Lemon Grove, are the parents of the bridegroom.—D. H.

### A LETTER FROM DOCTOR MCGREGOR

Dr. Ebon McGregor, formerly a physician in Lemon Grove, and active in its community life, writes from Los Nietos that he and his wife Elizabeth are going to build a home in a more rural district.

The Christmas tree that Dr. McGregor planted in front of his home on Main Street has grown into a large tree, and is lighted each year by the present occupants.—D. H.

### ON CONVENTION JUNKET

Frank J. Armstrong and Mrs. Armstrong, 8230 Golden Avenue, are home from a trip to San Francisco, where Mr. Armstrong attended a convention of school trustees. He is legislative chairman for San Diego County School Trustees. Frank is actively engaged at present in endeavoring to get some of the \$60,000 sales tax collected in Lemon Grove this first period, allotted to the

L. G. School District. Considerable rivalry is evident between leaders of various organizations to get the favorable consideration of the board of supervisors after July 1 next. Get your bid in early, boys.

P. S. After turning in this item I learned from Mrs. Armstrong that she did not go to San Francisco. Had to stay home with their two daughters.—D. H.

### Lemon Grove Lad, Lass In SDS Musical Comedy

Don Maley of Lemon Grove has a lead singing and dancing role in San Diego State's production of the musical comedy "On the Town," to be produced Jan. 11, 12, 18 and 19 at Roosevelt Jr., High School auditorium, Park Blvd. and Upas sts.

He plays one of three lonely sailors on a 24-hour pass in New

York City. Their search for companions, especially Miss Turnstiles, pictured in a subway, leads them into amusing run-ins with such characters as a tough woman cabbie and a female anthropologist.

Carol Wilson, 7872 Mt. Vernon, Lemon Grove, is an understudy for the song and ballet role of
